

News Release

Reporting a By-Law violation

Hi {Contact_First_Name}

We have received some questions from supporters on what to do if they see a potential Beacon Hill Park By-Law violation such as camping or tenting.

If you run across a camper in the Park, we urge you not to personally engage with them but to use the following information.

Victoria By-Law has created an easy-to-use on-line reporting tool which we recommend you use to report a violation. We have added link along both the police emergency and non-emergency contact information to our Contact Us page.

[Friends of Beacon Hill Park - Contact Us \(fbhp.ca\)](http://www.fbhp.ca)

Please feel free to save this link.

If we all keep an eye on the park it will go a long way to keep it safe.

Warm Regards

Friends of Beacon Hill Park

We Need Your Help

FBHP are the only ones who have taken the position in court that the terms of the Trust are clear and must be honoured, sheltering and other uses of the Park should not be allowed.

All participants involved in the Province's Appeal, recently received a request from First Nations to intervene. Responding to this request increases everybody's legal cost. Please help us to defend Beacon Hill Park by donating to the Beacon Hill Park Legal Support

You can also donate by cheque and send it by post to:
